FALL 2025

Building community through agriculture, events, and connection.

Farewell to Summer

It's been a busy summer at the Ag Society with no shortage of things to do! Paint nights, fundraiser dinners, markets and ice cream socials have kept the community hopping!

While the breakaway roping series had to be cancelled because of stock issues, the Summer Series Barrel Jackpot has been a huge success all summer long. Every other week all summer long, barrel races have converged on the arena to try their luck on the cloverleaf and grab a bite from one of the many food trucks we've had. Everything wraps up September 9th so come on out and cheer on the riders!

Ugetuk Success!

Ugetuk Days once again took place the second weekend of August and despite the seemingly never ending rain, fun was had by all! The 'Ugetuk Let 'er Buck Bull Bash' on Friday night went off without a hitch and revelers danced the night away to Wild Rose Roulette. A huge thank you to all the volunteers who made this weekend a success and to Wetaskwin County for sponsoring the Family Fun Zone!

Time to Fall in to Fall!

September is here and that means shorter days, cooler nights and an event calendar that is heating up! We've got a ton of events coming up this fall from our community expo to an adult scavenger hunt, murder mystery dinner theatre, blackjack and more. Check out the "Coming Events" on the flipside of this to stay in the know!
