Seasonal Successes!

Summer and early fall have been BUSY at the Winfield Ag Society. Ugetuk Days, barrel racing, garden tours, Name that Tune and more has kept the community hopping. Winter is going to be busy as well so check out the coming events on the back page and continue reading for some highlights from the season that was!

Garden Tour

Winfield and area is the home of a number of incredible (if humble) gardeners and 12 community members came together in August to tour a few of them. Sid and Dorothy Kent, Madison Vietch, Rob and Michelle Avis and Linda and Garry Grover all spent time with the participants in their gardens and discussing their gardening techniques. Many thanks to all your time and efforts in your gardens!

Ugetuk Days

The first weekend in August once again saw Ugetuk Days take over the Ag Society. The first ever Ugetuk Let'er Buck Bull Bash saw a number of brave young men try their hand at some of the best bulls in the west followed by a cabaret with Black Water Crude. The rest of the weekend wouldn't have been complete without the rodeos, parade, market and pancakes breakfasts. Many, many thanks to the volunteers who made it all happen as well as to the sponsors who make it possible with their generous donations.

Harvest Hootenanny

The first annual 'Harvest Hootenanny' was held October 5 on a beautiful fall day. Locals and those from further afield took in chainsaw carving, a fall market, hay rides, caramel apples and outdoor games and crafts. A chili cook off rounded out the day. With 11 teams entered in the cookoff there was plenty to eat however there can only be one winner. 'The Littles' comprised of Troy and Ann Favel took home bragging rights and a cash prize!
